

**You Are Invited to Join Us in Our 21<sup>st</sup> Annual Walk-A-Thon.**  
**This Year, We Are Encouraging Pet Lovers to Bring their Pets Along.**

*Here are some photos from past years.*

***So, bring your baby buggies, scooters, skate boards, unicycles, wheel chairs, and walking or jogging shoes. We will stay on paved areas.***

**The course is only 1½ mile each way. Of course, you can go shorter or farther distances. Please ask your friends, family, and co-workers to sponsor you (no matter how far you go), and if possible bring their pledge money with you. We will give you a receipt to give them for their tax records.**

**The event starts at 9 AM & most are finished by 11 giving participants plenty of time to attend SMC's Children's Health Fair in Smelterville. Thanks to our generous community, we have gifts for participants.**

**Pinehurst Days**

Judy Blalack and Ellie Arguimbau fold the August Silver Bulletin newsletter at their spot during Pinehurst Days. Grace Derbyshire helped them fold from the adjacent table where she was helping her grandfather, John Hopper. John, our Fund Raising Chair, had our site all set up for us. We thank all who bought tickets for our raffle—earning \$144 for our housing projects.

John Boy Delaney points to the broken guttering along the roof of Kay Baker's future home. He and Verne will install it if someone will bring a 14 foot seamless piece from Coeur d'Alene. Construction Supervisor, Shawn Truelove, recommended using a seamless piece but it is not available in the Silver Valley. Please call Judy at 208-682-3240 if you know whom to contact and can bring it. Electrician, Gordon Milholland, will update the wiring in this home in September.

**“But you will receive power when the Holy Spirit has come upon you. You will be witnesses to me in Jerusalem, in all Judea and Samaria, and to the uttermost parts of the earth.”**

**Acts 1:8**

Shauna Hillman, curator of the Northern Pacific Railroad Depot Museum, gave Linda Amonson, Kay Baker, and me, Judy Blalack, a tour of the museum when we were soliciting prizes for our upcoming fund raisers (the Walk-A-Thon and Christmas raffle). We all laughed with Linda as she tried on May Hutton's stylish hat and were impressed with the display.

**Strong Women of Wallace** is the current exhibit in the Northern Pacific Railroad Depot Museum in Wallace. This exhibit is funded by the Idaho Humanities Council and the NP Depot Foundation to promote the oral histories of our families in our communities.

We are celebrating the women who worked to make Wallace and the Coeur d'Alene Mining District a forward thinking and sustainable "mining camp". The five women we are highlighting this season are Lana Turner, born in Wallace and campaigned for female actors equal wages in Hollywood. Dolores Arnold, owner of the Lux and Luxette Rooms, contributed to the Wallace Community. She said, "You do not always have to obey the laws, but you do have to follow the rules." Miss Nancy Lee Hanson, worked single handedly to list the entire community on the National Register of Historic Places. Miss Nellie Stockbridge worked for the TN Barnard as a photographer. Nellie packed a camera gear underground to record the mining industry and climbed the mountains to record the growing community. The Stockbridge collection is a complete record of the citizens and business growth of Wallace. Our fifth Strong Woman of Wallace, is May Arkwright Hutton, a champion for women's equality, children, and the labor of industry. Hutton made a fortune with the Hercules Mine in Burke.

The NPR Depot Museum welcomes you to visit us this summer to participate in the hands-on exhibits. You may sit next to a "sporting woman", try on a May Hutton stylish hat and take your picture with May Arkwright Hutton. Please come remember the rails in the NPR Depot Museum and play with the trains.

Miss Vicki Allmann will present May Arkwright Hutton as a lecture in the Women's Waiting Room on Thursday, September 20, 2018 at the NPR Depot Museum at 6:00 p.m.

By Shauna Hillman

(Thanks, Shauna, for the museum's contribution toward our fund raisers.)

## Greater Blessings

Secretary, Ellie Arguimbau, witnesses Joan Zanetti's signature on a Great Blessings pledge form after Director, Duane Little, calculates a payment schedule. Joan and her son, Carey, were helped with repairs by the Idaho Servant Adventurers doing the labor to fix the kitchen floor and screen door. Earlier the Zanettis paid off a plumbing repair cost. We appreciate the help from Pat Elfsten at Furniture Exchange with the new flooring and Kerry Sawyer at Shoshone Glass for installing a large living room window. Special thanks go to Clint Kunze's work crews and their overseers, Bonnie & Jeff Miller who make such a difference in our valley each summer.

Board members, Tami Atkins, Kathy McPeak, Verne Blalack, Mike Humphrey, John Boy Delaney, Gina Doerschel, and Ellie Arguimbau discuss our works in progress, and upcoming fund raising events at the August meeting. Thank you, Mountain View Congregational Church for donating the use of your facilities.

We would like someone from the East end of the Valley to be on the Board. We meet in the evening in Kellogg once a month on the 2<sup>nd</sup> Tuesday for about 2 hours. Please think about volunteering.

Update on Krista Kirby's trailer: There is a major leak that hopefully will be fixed soon. Sadly, the Servant crew was not able to coordinate with Krista to install the skirting, so that will be finished after the plumbing. Our thanks go to Eagle Plumbing for donating and installing a safety relief valve on her water heater.

*We thank these businesses for supporting our newsletter.*
