## Valentine's Raffles

### Gift Certificates & Egg Jewelry Box (Item 3):

Item 3 includes a \$25 Gift Certificate to Radio Brewing in Kellogg, a Gift Certificate for One Free Meal at Cogs (424 6th St) in Wallace, and the egg jewelry box that was created and gifted to us by Denny Brown (see below for details).

Excerpts of a note sent from Denny Brown with the egg: "For years I've read in the Bulletin about all your craft sales and raffles with the intention of sending you something, but the sale/raffle dates were always too close for me to meet. This is a jewel box made from an actual goose egg. The shell is strengthened by coating the inside with an epoxy type coating, so the finished egg is not real fragile - no more than a dish would be. There are not a lot of them made around here although we saw many when traveling in Russia. We were told that in that area it was customary to gift decorated eggs on special occasions."

Denny Brown who worked as a Care-A-Vanner on our 2002 build. This package was sent to the SVFCH PO Box in Smelterville, but the notice from the PO was lost somewhere. Denny had hoped it would arrive in plenty of time for the Christmas Craft Fairs. Since it didn't, Kathy & Judy thought it could be used in an on-line auction.

Place your bid with Judy at [judyblalack@gmail.com](mailto:judyblalack@gmail.com) or 208-755-5986. Leave a message with your name and bid. All bidding is online or phone. **Bidding closes February 12th at 6 PM.** The winners will be contacted that evening and can pick up their winnings at the USBank in Pinehurst starting the morning of February 13. The bank is open from 9 AM to 5 PM.

We are still greatly in need of volunteers to help organize lodging and meals for visits from the Care-A-Vanners and Fuller Center Bicycle Adventure group in the 2024 construction season. If you can help, please contact Tahnee at 208-512-9869 with your information so we can begin to coordinate details.

Josh Winters, a dedicated volunteer with the Fuller Center's Greater Blessings Program, has been actively involved in essential home repairs for individuals in need, and has recently worked to repair decaying bathroom floors for two local homeowners. We thank Josh for his hard work and dedication and for helping to make these homes safer for the occupants.

The Greater Blessings Program supports beneficiaries by offering lower-cost home repairs or renovations, enabling them to repay the expenses over time. Monthly payments, structured to align with the beneficiary's financial capacity, provide an opportunity for the recipient to experience the joy of giving back.

For prospective applicants seeking assistance through the Greater Blessings Program, please reach out to Josie at 208-409-8584 or [josielegal@outlook.com](mailto:josielegal@outlook.com) to obtain an application form. Additionally, if you possess skills or services and wish to volunteer for this program, please contact our volunteer coordinator, Tahnee at 208-512-9869, to be added to our volunteer list.

We thank these businesses for supporting our newsletter.
