2015 Walk-A-Thon

Fuller Center for Housing held our annual Walk-A-Thon on September 19th. This was our 18th year for this fundraiser. The pledges this year totaled \$1392.00 with several yet to come in. It was a beautiful day albeit a little chilly to start.

The walkers were treated to fruit from Barney's Harvest Foods, drinks from McDonalds, cookies from Gary Stanley and packets of Avon from Kathy McPeak. There were many great prizes donated once again by our generous local businesses.

The walk was started with welcoming comments by Commissioner Mike Fitzgerald and a prayer led by Mike Maynard from the Church of Nazarene.

Again Judy and I could not do it without the help of our loyal helpers: Patti Houchin, Marilyn White, Dan Michael, Patsy Lemieux and Danny and Gus Scott.

Penny Michael
Walk-A-Thon Chairman

Participants:

Judy Blalack, Glory Carlile, Lois Dahlberg, Jo Davis, Deanne Fitzgerald, Mike Fitzgerald, Eric Hall, Patti Houchin, Robin Jones, Patsy Lemieux, Robin Maynard, Rev. Mike Maynard, Lynsey McCarver, Kathy McPeak, Dam Michael, Penny Michael, Cindy Pettit, Taryn Richlie, Danny Scott, Gus Scott, Marilyn White, and John Wollaston

This I recall to my mind; therefore have I hope. It is because of the LORD's loving kindness that we are not consumed, because his compassion doesn't fail. They are new every morning; great is your faithfulness

Lamentations 3:21-23

Bornitz Greater Blessing Project

With fall here, and since the extreme heat followed by thick smoke from the wild fires prevented tackling this project earlier, we decided to hire Bogie and Sons to install a new roof on Debra Bornitz's home on Bentley Creek.

Rick Wood has been working on the smaller projects around the home—sealing the skirting and building steps to a back door. He and Verne Blalack will begin removing the roofing from the front porch on Oct 1st in preparation for the porch's removal before beginning the construction on a new front porch.

Judy spent a day helping hubby, Verne, at the Souza home. She painted a prime coat under the area where Verne was priming the gable end. This is another project slowed by weather conditions. Earlier when it was extremely hot, an ice chest had to be used so the sanding equipment could be cooled down before it could be handled—even with gloves. Then the smoke poured in and now the Grizzly Complex Fire is raging again, making it a health hazard to work outside.

☺ Walk-A-Thon ☺

A beautiful day for a walk—the mist burned off and the sun came out just in time.

Patsy Lemieux leads the walkers. She made sure she was to the turnaround point and brought back the signing after everyone had finished.

Cindy Pettit, Taryn Richlie, and Lois Dahlberg return with big smiles.

Kathy McPeak walks with Mike Fitzgerald behind Mike's daughter, Lynsey McCarver, and wife, Deanne, and grandkids, Brayden & Carson McCarver.

Jerry White enjoyed the day with his grandson, Eric Hall. Eric's prize for walking was the candy bouquet donated by JB's Country Garden—very appropriate for this little guy.

Robin and Mike Maynard completed the course.

Robin Jones and Glory Carlile visit as they strolled along.
