

Applications Still Open, Family Selection Orientation Upcoming September 7th

Applications are open again at the Silver Valley Fuller Center for Housing! If you or someone you know lives in poor housing conditions, now's your chance to change that. We're here to help families move from renting to owning their own homes, a place where they can make memories and raise their families.

We have a special approach – if you're willing to put in some "sweat equity" hours, you could become a homeowner with a no-interest mortgage. It's not an easy process, but the outcome is worth it. We have build sites ready to become homes, but we need more applications and volunteers to make it happen.

Join us for a **Family Selection Orientation Meeting on September 7th** at 6pm. The meeting will be held at Cooper Hall at the Church of the Nazarene, 631 S. Division Street, Kellogg, Idaho.

At the meeting we will:

**guide you through
the application**

**explain
requirements**

**answer your
questions.**

Everyone is welcome, whether you've applied or not. Let's build a better community together!

Our meetings will be held quarterly, ensuring that everyone has a chance to participate and understand the program better. We will share the next meeting details in future newsletters. Visit our website at <https://www.svfch.org/> to apply or learn more.

Denny Wuesthoff of Signs & Stripes in Kellogg donated a block sign for our fundraising prize.

Stacie at Les Schwab accepts a thank you note from Judy for donating the roadside assistance kits.

As each has received a gift, employ it in serving one another, as good managers of the grace of God in its various forms. - 1 Peter 4:10

Osburn Trailer Update

The Osburn trailer project is almost complete, but there's still an urgent need for volunteers to assist with final tasks, ensuring its successful finish.

We have been fortunate to receive a generous donation of spray foam insulation. Our immediate focus is on utilizing this donation to insulate the space underneath the trailer. The insulation will not only maintain a consistent interior temperature but also safeguard the plumbing from the harsh winter cold.

We're actively seeking an individual with expertise in spray foam insulation installation, or if you know someone who fits the bill, please encourage them to step forward.

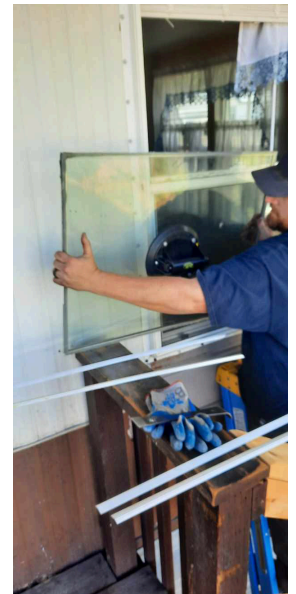

Remember, your time invested in these projects counts towards your "sweat-equity", a requirement for eligibility to own a Fuller home in the future.

Should you possess the necessary expertise or have recommendations to share, please don't hesitate to reach out and connect with us. **Call Judy 208-682-3240 & leave a message**

Volunteers helped clean up the empty lot at Polaris that is used for storage (left). They weedwhacked the lot, as well as cleaned up some siding that was in storage there that had been scattered around the property. The lot is looking much tidier, thanks to help from volunteers!

Below, an employee from Shoshone Glass installs windows at the trailer in Osburn.
